Waymo's mission & journey

We're Building The World's Most Experienced Driver

Waymo is an autonomous driving technology company with a mission to make it safe and easy for people and things to get where they're going.

50m injuries and 1.35m deaths worldwide

50% of deaths
are pedestrians, cyclists
and motorcyclists

Source: WHO

94%

of crashes in the US
involve human choice
or driving error
